

A VERY PERSONAL CASE REPORT

- Personally, over the last months I was in a very stressed period of my life, with insomnia and general “incoherence” in brain and body, without any efficient therapy in modern medicine for myself. Dr Deep’s treatment based on India’s Chakra-Nadi understanding has helped me a lot also if pressure of daily stress continues to produce disorder in my performance and health status, monitored with electroquantistic biotechnologies that measure the state of bioelectrical homeostasis in the organs on the meridians and Chakras up to the cellular states. It seems that in the etiopathogenesis of the psychosomatic disorder there may be Borelliosis with Lyme disease and the pharmacoelectrodynamic therapy with tetracyclines has clearly improved the clinical status performance status with correlated instrumental improvement.
